Materials:
- Size 8 perle cotton
- Small elastic rubber band for underwear (I use 'Goody' hairbands found at the drugstore)
- Size 8 steel hook
- 3/16 or 1/4 inch buttons

Gauge: 10sc = 1 inch

Rib = two sc rows
Link = ch3, dc in third ch from the hook.
Picot = ch2, sl st in top of the stitch just made (sc or dc)
BLO = back loop only
FLO = front loop only

Bloomers: Use a very small ponytail holder or elastic band for the waistband. Find one that fits snuggle around the waist of your doll.

1: Work 34sc around the elastic ponytail holder, ch1, turn (Do Not Join this round).
2: Sc in each sc around, join to the first sc of this row, ch2 (Does Not Count as First DC), do not turn.
3: Dc in each sc around, join, ch2, do not turn.
4: Repeat round 3. At the end of round, ch5, do not turn.
5: Skip first 17 dc, join in the next dc, ch2, dc in each remaining dc and each ch of ch5. Join to the first dc, ch1, do not turn. 22 dc
6: (Sc in next two dc, skip next dc) around, 15 sc
7: Working in BLO, (sc, ch3) in each sc around, join, finish off.

Join thread in first unused st of round four and repeat for second leg.

Camisole Bodice; worked side to side in one or two colors. If working in two colors, work two rows, then change color, across. Work in the Back Loop Only (BLO)

1: Ch8, sc in second ch from hook and each ch across. 7sc
2-30: Sc in BLO of each sc across, ch1, turn. 7sc

Turn the work so you are now working across the bottom of the bodice. In the end of each rib work (two sc in first rib, three sc in next rib) across 38 sc.

Turn the work so you are now working up the side of the bodice in the beginning chains. Sl st in first st, ch3, skip two, sl st in next st, ch3, skip two, sl st in last st, ch1. Buttonhole loops made

Turn the work so you are now working across the top of the bodice. In the end of each rib work two sc.

30 sc, ch1, turn.

Armholes and neck edge:
1: In the FLO, sc in next five sc, work three links, skip next five sc, sc in the next 10 sc, work three links, skip five sc, sc in remaining five sc. Ch1, turn.
2: Sc in the next three sc, sc next two sc tog, two sc in each link across the top of the armhole, sc in the next 10 sc across to the next link, two sc in each link across the top of the armhole, sc next two sc tog, sc in last three sc. Finish off.

For camisole lace along the bottom edge, join same or contrasting thread in back loop of first sc, ch5, (dc, ch2) in BLO of each sc across. Finish off.

Optional: For camisole lace across the top edge, join contrasting thread in back loop of first sc, (sc, ch2) in BLO of each st across. Finish off.

For camisole lace along top edge and the sleeve opening, join contrasting thread in the first unused loop at the top back of the camisole (these are the unworked loops created when you worked in the BLO across the top of the camisole...not the very top of the camisole itself). (Sl st, ch1) in the five unused loops at the back. In the links across the top of the armhole, work (dc, ch1) five times in each link. (Sl st, ch1) in the 10 unused loops across the front of the camisole; work (dc, ch1) five times in each link of the second armhole, (sl st, ch1) in the last five unused loops across the second back. Finish off.

In the unworked loops across the bottom of the camisole, you can work a (sl st, ch1) trim in a second contrasting color, if you like.

You can use this bodice for a camisole, as above, or as a bodice for a dress or rompers. Below is a skirt, romper, and sleeve alternative for this bodice.

Cap Sleeve: Use CC
1: Join with sl st in first underarm sc next to an armhole link, In each link work (two dc, picot, two dc, picot), join with sl st in the next sc at the underarm, finish off.

Puff sleeve: Use MC
1: Join with sc in the first underarm sc next to an armhole link, In each link work six sc, sc in the remaining sc under the arm, join to the first sc (should be 23 sc)
2: Sc in first two sc, dc in next 18 sc, sc in last three sc.
3: Repeat round 2
4: (Sc in next sc, skip next sc) around.
5: Sc in each sc around. Finish off.

Optional ideas to trim the puff sleeve. You can work round 2 of the puff sleeve in the BLO, then work a ruffle trim in the free loops with a contrasting color. You can also add a contrasting color ruffle as round 6 for the sleeve.

Another stitch pattern to use for the skirt is (Sc, picot in top of this sc, ch4) in the back loop of each stitch around the bottom of the bodice. for the next four rounds work (sc, picot, ch4) in each ch4 loop around. It is full and frilly :-)

Rompers:
For the rompers I worked three sc in the end of each rib after finishing the camisole bodice, instead of (two sc in the first rib, three sc in the next), ending up with 44 sc (worked only two sc in the very last rib).
1: Dc, ch1 in each sc across. At the end of the row, work dc, then sc in the top of the first dc.
2: Ch4, (dc, ch1) in each ch1 space across to the last ch1 space. Dc, sc in the top of the first dc, ch4.
3: Skip first 22 ch1 spaces, join with sl st in the next ch1 space, ch4 (counts as first dc, ch1). Dc, ch1 in remaining ch1 spaces. At the ch4 that forms the crotch, ch1, skip first ch, dc in the next ch, ch1, skip next ch, dc in last ch, sc in top of the first dc.
4-5: Ch4 (counts as first dc, ch1), (dc, ch1) in each ch1 space across. Join with sc in top of the first dc.
6: Sc in each ch1 space around, join to the first sc, 24 sc.
7: (Sc in next two sc, skip next sc) around, join. 16 sc
8: In BLO, (dc, ch2) in each sc around. Fasten off.

Join thread in first unworked ch1 space of round 3 and work remaining romper leg as first leg.

With contrasting color you can work lace and trim as with the camisole.
